Subject: Unauthorized Sound Recordings (REF: A301678299725)

March 08, 2023

REF: A301678299725

Hello:

I am contacting you on behalf of the Recording Industry Association of America, Inc. (RIAA) and its member record companies. The RIAA is a trade association whose member companies create, manufacture and distribute approximately eighty-five (85) percent of all legitimate sound recordings sold in the United States. Under penalty of perjury, we submit that the RIAA is authorized to act on behalf of its member companies on matters involving the infringement of their sound recordings, including enforcing their copyrights and common law rights on the Internet.

We have learned that your service is hosting the below-referenced infringing web site(s) on its network. These site(s) are offering files containing sound recordings which are owned by one or more of our member companies and have not been authorized for this kind of use, including without limitation those referenced at the URL(s) below. We have a good faith belief that this activity is not authorized by the copyright owner, its agent, or the law. We assert that the information in this notification is accurate, based upon the data available to us.

We are asking for your immediate assistance in stopping this unauthorized activity. Specifically, we request that you remove the files from your system, including any mirrored or duplicate copies of those files, and/or that you disable all access to the infringing files and associated links, and that you inform the site operator(s) of the illegality of his or her conduct.

We also ask that you consider the widespread and repeated infringing nature of the site operator(s)' conduct, and whether the site(s)' activities violate your terms of service and/or your company's repeat infringer policy.

This e-mail does not constitute a waiver of any right to recover damages incurred by virtue of any such unauthorized activities, and such rights as well as claims for other relief are expressly retained. In addition, our use of your service's required notice form, if applicable, is merely meant to facilitate removal of the infringing material listed below and is not meant to suggest or imply that your activities and services are within the scope of the DMCA safe harbor.

You may contact me at RIAA, 1000 F Street NW, 2nd Floor, Washington, DC, 20004, Tel. (202) 775-0101, or e-mail antipiracy@riaa.com, to discuss this notice. We await your response.

Sincerely,
