PRETRIAL ORDER

In accordance with LR 16.4 and the Court's Opinion and Order dated November 30, 2020 (Doc. 391), Plaintiffs Atlantic Recording Corporation, LaFace Records LLC, Sony Music Entertainment, UMG Recordings, Inc., Warner Records

Inc. f/k/a Warner Bros. Records Inc., Arista Music, Arista Records LLC, Bad Boy Records LLC, Capitol Records, LLC, Elektra Entertainment Group Inc., Roc-A-Fella Records, LLC, Sony Music Entertainment US Latin LLC, and Zomba Recording LLC (“Plaintiffs”) and Defendants Spinrilla, LLC and Jeffery Dylan Copeland (“Defendants”) hereby file the following proposed consolidated pretrial order:

1.

There are no motions or other matters pending for consideration by the court except as noted:

There are no motions pending for consideration by the Court. The Court has granted the parties’ joint request that they be permitted to file *Daubert* motions no later than twenty eight (28) days before trial with responses to any such motions being due fourteen (14) days thereafter and replies due (7) days after that. ECF No. 438/

2.

All discovery has been completed, unless otherwise noted, and the court will not consider any further motions to compel discovery. (Refer to LR 37.1B). Provided there is no resulting delay in readiness for trial, the parties shall, however, be permitted to take the depositions of any persons for the preservation of evidence and for use at trial.

All discovery has been completed.

3.

Unless otherwise noted, the names of the parties as shown in the caption to this Order and the capacity in which they appear are correct and complete, and there is no question by any party as to the misjoinder or non-joinder of any parties.

As previously disclosed to Defendants and the Court in Doc. 387, Warner Bros. Records Inc. is now known as Warner Records Inc.

4.

Unless otherwise noted, there is no question as to the jurisdiction of the court; jurisdiction is based upon the following code sections. (When there are multiple claims, list each claim and its jurisdictional basis separately.)

The Court has jurisdiction over the copyright claims asserted in this action pursuant to 28 U.S.C. §§ 1331, 1338(a).

5.

The following individually-named attorneys are hereby designated as lead counsel for the parties:

Plaintiffs: Andrew H. Bart, Jenner & Block LLP, 1155 Sixth Ave., New York, NY 10036. Telephone: (212) 891-1600.

Defendants: Louis Cohan, Cohan Law Group, 3340 Peachtree Rd Suite 2570, Atlanta, GA 30326. Telephone: (404) 891-1770.

6.

Normally, the plaintiffs are entitled to open and close arguments to the jury. (Refer to LR39.3(B)(2)(b)). State below the reasons, if any, why the plaintiff should not be permitted to open arguments to the jury.

The case should follow the normal course, and Plaintiffs shall be permitted to open and close arguments.

7.

The captioned case shall be tried (X) to a jury or (_____) to the court without a jury, or (_____) the right to trial by jury is disputed.

8.

State whether the parties request that the trial to a jury be bifurcated, i.e. that the same jury consider separately issues such as liability and damages. State briefly the reasons why trial should or should not be bifurcated.

The case was previously bifurcated and liability has been determined by the Court.

9.

Attached hereto as Attachment “A” and made a part of this order by reference are the questions which the parties request that the court propound to the jurors concerning their legal qualifications to serve.

10.

Attached hereto as Attachment “B-1” are the general questions which plaintiffs wish to be propounded to the jurors on voir dire examination.

Attached hereto as Attachment “B-2” are the general questions which defendants wish to be propounded to the jurors on voir dire examination.

Attached hereto as Attachment “B-3”, “B-4”, etc. are the general questions which the remaining parties, if any, wish to be propounded to the jurors on voir dire examination.

The court shall question the prospective jurors as to their address and occupation and as to the occupation of a spouse, if any. Counsel may be permitted to ask follow-up questions on these matters. It shall not, therefore, be necessary for counsel to submit questions regarding these matters. The determination of whether the judge or counsel will propound general voir dire questions is a matter of courtroom policy which shall be established by each judge.

Attachments B-1 and B-2 are appended hereto. There are no parties besides Plaintiffs and Defendants, and accordingly there is no Attachment B-3.

11.

State any objections to plaintiffs’ voir dire questions:

Defendants object to Plaintiffs’ proposed voir dire question numbers 15, 16, 17 and 19, on the ground that they are not directed at the purposes of voir dire – to determine whether any jurors should be challenged for cause or to expose bias or prejudice against a party or their counsel. Rather, Plaintiffs’ proposed questions seek to precondition the jury to arguments Plaintiffs intend to make during trial, in other words to “make an advance favorable portrayal of Plaintiffs’ case.” 1 Fed. Jury Prac. & Inst. (6th Ed.) § 4:7 fn. 11.

Specifically, Question 15 is argument intended to condition/bias the jury, and it assumes an untrue fact that the artists do not get paid, suggesting there are not other ways that they do get paid. Question 16 is argument intended to condition/bias the jury, and it assumes an untrue fact that the artists do not get paid, suggesting there are not other ways that they do get paid. Question 17 is argument intended to condition/bias the jury, and it assumes untrue facts that Defendants were told about the infringement and did not stop. Question 19 is argument intended to condition/bias the jury, this case is not about “using” someone else’s work without their permission.

State any objections to defendants’ voir dire questions:

Plaintiffs object as follows:

Defendants’ Proposed Question 1: The first paragraph is unduly prejudicial and unnecessary. The first sentence constitutes an improper effort to bias the jury by referring to Spinrilla, LLC as a “Georgia company.” It is further prejudicial in that it omits any reference to the Court’s finding on liability, instead presenting “this case” as concerning mere allegations.

Defendants’ Proposed Question 2: This instruction is improper and prejudicial and is a transparent attempt to pre-educate the jury on Defendants’ theory of the case.

Defendants’ Proposed Question 3: Use of the word “merely” in this question is unduly prejudicial, in that it attempts to minimize the importance of the Court’s ruling on liability.

Defendants’ Proposed Question 4: The use of the word “only” in the second sentence is prejudicial and should be removed. The phrasing should be changed so that it is neutral; for instance: “In this case, Plaintiffs have elected to pursue statutory damages.” Further, the fourth sentence is an improper attempt to pre-educate the jury on Defendants’ theory of the case.

Furthermore, as noted elsewhere in this pretrial order, Plaintiffs are pursuing damages for 4,078 and not 4,082 recordings. And finally, this question should use the correct nomenclature under copyright law—here, “recordings” rather than “songs.” The word

“songs” generally refers to musical compositions rather than recordings, which are separate copyrights often controlled by separate copyright owners.

Defendants’ Proposed Question 5: This is an entirely improper question and yet another transparent attempt to pre-educate the jury on Defendants’ theory of the case.

Defendants’ Proposed Question 6: This does not even purport to be a question; instead it is yet another entirely improper effort to pre-educate the jury on Defendants’ theory of the case.

Defendants’ Proposed Question 7: This is another unduly prejudicial question that improperly attempts to pre-educate the jury on Defendants’ theory of the case.

Defendants’ Proposed Question 8: This is an entirely improper and prejudicial effort by Defendants to pre-educate the jury on Defendants’ theory of the case.

Defendants’ Proposed Question 9: This is an entirely improper and prejudicial effort by Defendants to pre-educate the jury on Defendants’ theory of the case.

Defendants’ Proposed Question 10: This is an entirely improper and prejudicial effort by Defendants to pre-educate the jury on Defendants’ theory of the case.

Defendants’ Proposed Question 11: This is an entirely improper and prejudicial effort by Defendants to pre-educate the jury on Defendants’ theory of the case.

Defendants’ Proposed Question 17: This is an entirely improper and prejudicial effort by Defendants to pre-educate the jury on Defendants’ theory of the case. Moreover, Plaintiffs dispute that “failure to mitigate damages” is an issue to be tried in this case. District courts across the country have held that “a copyright plaintiff’s exclusive pursuit of statutory damages, as here, invalidates a failure-to-mitigate defense.” *Purzel Video GmbH v. St.*

Pierre, 10 F. Supp. 3d 1158, 1162 (D. Colo. 2014); *see supra* ¶ 17 (citing additional cases).

Defendants' Proposed Question 20: As set forth elsewhere in this pretrial order, Plaintiffs object to the inclusion of David Macli on Defendants' witness list. Mr. Macli was not identified on Defendants' initial disclosures. As such, Plaintiffs were not given proper notice of Mr. Macli's potential testimony for Defendants nor an opportunity to depose him in advance of trial. *See* Fed. R. Civ. P. 37(c)(1); *Romero v. Drummond Co., Inc.*, 552 F.3d 1303, 1323 (11th Cir. 2008); *Davis v. Green*, No. 12-cv-3549, 2015 WL 3604891 at *1-2 (N.D. Ga. June 8, 2015) (excluding witness that was not included on initial disclosures).

Defendants' Proposed Question 24: This question is cumulative and unnecessary given Defendants' Proposed Question 12. It should be removed.

Defendants' Proposed Question 46: This question is unduly prejudicial and cumulative given Question 43, which asks questions on virtually the same topic. Defendants should be permitted to ask Question 43 or Question 46, but not both.

State any objections to the voir dire questions of the other parties, if any:

None, as there are no other parties.

12.

All civil cases to be tried wholly or in part by jury shall be tried before a jury consisting of not less than six (6) members, unless the parties stipulate otherwise. The parties must state in the space provided below the basis for any requests for additional strikes. Unless otherwise directed herein, each side as a group will be allowed the number of peremptory challenges as provided by 28 U.S.C. § 1870. See Fed.R.Civ.P. 47(b).

The parties agree to three peremptory challenges per side, as provided by 28 U.S.C. § 1870 and Fed. R. Civ. P. 47(b).

13.

State whether there is any pending related litigation. Describe briefly, including style and civil action number.

There is no pending related litigation.

14.

Attached hereto as Attachment “C” is plaintiffs’ outline of the case which includes a succinct factual summary of plaintiffs’ cause of action and which shall be neither argumentative nor recite evidence. All relevant rules, regulations, statutes, ordinances, and illustrative case law creating a specific legal duty relied upon by plaintiffs shall be listed under a separate heading. In negligence cases, each and every act of negligence relied upon shall be separately listed. For each item of damage claimed, plaintiffs shall separately provide the following information: (a) a brief description of the item claimed, for example, pain and suffering; (b) the dollar amount claimed; and (c) a citation to the law, rule, regulation, or any decision authorizing a recovery for that particular item of damage. Items of damage not identified in this manner shall not be recoverable.

15.

Attached hereto as Attachment “D” is the defendants’ outline of the case which includes a succinct factual summary of all general, special, and affirmative defenses relied upon and which shall be neither argumentative nor recite evidence. All relevant rules, regulations, statutes, ordinances, and illustrative case law relied upon as creating a defense shall be listed under a separate heading. For any counterclaim, the defendant shall separately provide the following information for each item of damage claimed: (a) a brief description of the item claimed; (b) the dollar amount claimed; and (c) a citation to the law, rule, regulation, or any decision authorizing a recovery for that particular item of damage. Items of damage not identified in this manner shall not be recoverable.

16.

Attached hereto as Attachment “E” are the facts stipulated by the parties. No further evidence will be required as to the facts contained in the stipulation and the stipulation may be read into evidence at the beginning of the trial or at such other time as is appropriate in the trial of the case. It is the duty of counsel to cooperate fully with each other to identify all undisputed facts. A refusal to do so may result in the imposition of sanctions upon the non-cooperating counsel.

17.

The legal issues to be tried are as follows:

Defendants' position is that the legal issues to be tried are as follows:

- 1. Whether Defendants willfully infringed Plaintiffs' copyrights in the works in suit.**
- 2. Whether Plaintiffs failed to mitigate their damages.**
- 3. The amount of statutory damages that Plaintiffs should recover for Defendants' infringement of each work in suit. *See* 17 U.S.C. § 504(c).**

Plaintiffs' position is that the legal issues to be tried are as follows:

- 1. Whether Defendants willfully infringed Plaintiffs' copyrights in the works in suit.**
- 2. The amount of statutory damages that Plaintiffs should recover for Defendants' infringement of each work in suit. *See* 17 U.S.C. § 504(c).**

Plaintiffs dispute Defendants' position that "failure to mitigate damages" is a legal issue to be tried in this case. While courts have split on this issue, the weight of the authority holds that failure to mitigate is not a valid defense where, as here, a copyright plaintiff has elected to pursue statutory damages. *See, e.g., Malibu Media, LLC v. Fitzpatrick*, 1:12-CV-22767, 2013 WL 5674711, at *3 n.17 (S.D. Fla. Oct. 17, 2013); *Malibu Media, LLC v. Weaver*, 8:14-CV-1580-T-33TBM, 2016 WL 1394331, at *7 (M.D. Fla. 18.

Attached hereto as Attachment “F-1” for the plaintiffs, Attachment “F-2” for the defendants, and Attachment “F-3”, etc. for all other parties is a list of all the witnesses and their addresses for each party. The list must designate the witnesses whom the party will have present at trial and those witnesses whom the party may have present at trial. Expert (any witness who might express an opinion under Rule 702), impeachment and rebuttal witnesses whose use as a witness can be reasonably anticipated must be included. Each party shall also attach to the list a reasonable specific summary of the expected testimony of each expert witness.

All of the other parties may rely upon a representation by a designated party that a witness will be present unless notice to the contrary is given ten (10) days prior to trial to allow the other party(s) to subpoena the witness or to obtain the witness’ testimony by other means. Witnesses who are not included on the witness list (including expert, impeachment and rebuttal witnesses whose use should have been reasonably anticipated) will not be permitted to testify, unless expressly authorized by court order based upon a showing that the failure to comply was justified.

Plaintiffs hereby object to the inclusion of David Macli on Defendants’ witness list. Mr. Macli was not identified on Defendants’ initial disclosures. As such, Plaintiffs were not given proper notice of Mr. Macli’s potential testimony for Defendants nor an opportunity to depose him in advance of trial. See Fed. R. Civ. P. 37(c)(1); *Romero v. Drummond Co., Inc.*, 552 F.3d 1303, 1323 (11th Cir. 2008); *Davis v. Green*, No. 12-cv-3549, 2015 WL 3604891 at *1-2 (N.D. Ga. June 8, 2015) (excluding witness that was not included on initial disclosures).

Plaintiffs further object to Defendants’ attempt to “reserve the right to supplement this list upon reasonable notice.” That is impermissible under this Court’s rules. See Civ. LR 16.4(B)(18)(c) (“Witnesses not included on the witness list will not be permitted to testify, unless expressly authorized by Court order based upon a showing that the failure to comply was justified. The attorneys may not reserve the right to add witnesses.”).

19.

Attached hereto as Attachment “G-1” for the plaintiffs, “G-2” for the defendants, and “G3”, etc. for all other parties are the typed lists of all documentary and physical evidence that will be tendered at trial. Learned treatises which are expected to be used at trial shall not be admitted as exhibits. Counsel are required, however, to identify all such treatises under a separate heading on the party’s exhibit list.

Each party’s exhibits shall be numbered serially, beginning with 1, and without the inclusion of any alphabetical or numerical subparts. Adequate space must be left on the left margin of each party’s exhibit list for court stamping purposes. A courtesy copy of each party’s list must be submitted for use by the judge.

Prior to trial, counsel shall mark the exhibits as numbered on the attached lists by affixing numbered yellow stickers to plaintiffs’ exhibits, numbered blue stickers to defendants’ exhibits, and numbered white stickers to joint exhibits. When there are multiple plaintiffs or defendants, the surname of the particular plaintiff or defendant shall be shown above the number on the stickers for that party’s exhibits.

Specific objections to another party’s exhibits must be typed on a separate page and must be attached to the exhibit list of the party against whom the objections are raised. Objections as to authenticity, privilege, competency, and, to the extent possible, relevancy of the exhibits shall be included. Any listed document to which an objection is not raised shall be deemed to have been stipulated as to authenticity by the parties and shall be admitted at trial without further proof of authenticity.

Unless otherwise noted, copies rather than originals of documentary evidence may be used at trial. Documentary or physical exhibits may not be submitted by counsel after filing of the pretrial order, except upon consent of all the parties or permission of the court. Exhibits so admitted must be numbered, inspected by counsel, and marked with stickers prior to trial.

Counsel shall familiarize themselves with all exhibits (and the numbering thereof) prior to trial. Counsel will not be afforded time during trial to examine exhibits that are or should have been listed.

20.

Any objections to the depositions of the foregoing persons or to any questions or answers in the depositions shall be filed in writing no later than the day the case is first scheduled for trial. Objections not perfected in this manner will be deemed waived or abandoned. All depositions shall be reviewed by counsel and all extraneous and unnecessary matter, including non-essential colloquy of counsel, shall be deleted. Depositions, whether preserved by stenographic means or videotape, shall not go out with the jury.

21.

Attached hereto as Attachments “H-1” for the plaintiffs, “H-2” for the defendants, and “H-3”, etc. for other parties, are any trial briefs which counsel may wish to file containing citations to legal authority concerning evidentiary questions and any other legal issues which counsel anticipate will arise during the trial of the case. Limitations, if any, regarding the format and length of trial briefs is a matter of individual practice which shall be established by each judge.

The parties intend to submit trial briefs. The parties request that their trial briefs be limited to twenty (20) pages each, and be simultaneously filed at 5:00 p.m. ET on the date that is fourteen (14) days prior to commencement of the trial. The parties agree that there shall be no right of response or reply to any trial briefs submitted.

The parties request that they be instructed to file motions in limine no later than twenty eight (28) days before trial with responses to any such motions being due fourteen (14) days thereafter and replies due (7) days after that.

22.

In the event this is a case designated for trial to the court with a jury, requests for charge must be submitted no later than 9:30 a.m. on the date on which the case is calendared (or specially set) for trial. Requests which are not timely filed and which are not otherwise in compliance with LR 51.1, will not be considered. In

addition, each party should attach to the requests to charge a short (not more than one (1) page) statement of that party's contentions, covering both claims and defenses, which the court may use in its charge to the jury.

Counsel are directed to refer to the latest edition of the Eleventh Circuit District Judges Association's Pattern Jury Instructions and Devitt and Blackmar's Federal Jury Practice and Instructions in preparing the requests to charge. For those issues not covered by the Pattern Instructions or Devitt and Blackmar, counsel are directed to extract the applicable legal principle (with minimum verbiage) from each cited authority.

Plaintiffs' position is that the parties should be instructed to submit to the Court a single set of requests for charge, identifying any objections either party may have to any proposed charges, no later than 5:00 p.m. ET on the date that is seven (7) days prior to commencement of the trial. This schedule will better permit the Court to evaluate and adjudicate any objections and will remove the unnecessary time pressure that would otherwise be placed on the Court by having to review these issues on the morning of trial.

Defendants dispute Plaintiffs' position.

23.

If counsel desire for the case to be submitted to the jury in a manner other than upon a general verdict, the form of submission agreed to by all counsel shall be shown in Attachment "I" to this Pretrial Order. If counsel cannot agree on a special form of submission, parties will propose their separate forms for the consideration of the court.

Plaintiffs request that the case be submitted to the jury in the form shown in Attachment I-1. Defendants request that the case be submitted to the jury in the form shown in Attachment I-2.

24.

Unless otherwise authorized by the court, arguments in all jury cases shall be limited to one-half hour for each side. Should any party desire any additional time for argument, the request should be noted (and explained) herein.

25.

If the case is designated for trial to the court without a jury, counsel are directed to submit proposed finding of fact and conclusions of law not later than the opening of trial.

26.

Pursuant to LR 16.3, lead counsel and persons possessing settlement authority to bind the parties met on April 20, 2021 with a mediator to discuss in good faith the possibility of settlement of this case. The court (X) has or (____) has not discussed settlement of this case with counsel. It appears at this time that there is:

- (____) A good possibility of settlement.
- (X____) Some possibility of settlement.
- (____) Little possibility of settlement.
- (____) No possibility of settlement.

27.

Unless otherwise noted, the court will not consider this case for a special setting, and it will be scheduled by the clerk in accordance with the normal practice of the court.

Due to the length of the trial, the involvement of multiple experts and witnesses living outside the state of Georgia, and COVID-19, the parties request that this matter be specially set for trial.

28.

The plaintiffs estimate that they will require 4 days to present their evidence. The defendants estimate that they will require 4 days to present its evidence. There are no other parties. It is estimated that the total trial time is 8 days.

29.

IT IS HEREBY ORDERED that the above constitutes the pretrial order for the above captioned case (X) submitted by stipulation of the parties or (____) approved by the court after conference with the parties.

IT IS FURTHER ORDERED that the foregoing, including the attachments thereto, constitutes the pretrial order in the above case and that it supersedes the pleadings which are hereby amended to conform hereto and that this pretrial order

shall not be amended except by Order of the court to prevent manifest injustice. Any attempt to reserve a right to amend or add to any part of the pretrial order after the pretrial order has been filed shall be invalid and of no effect and shall not be binding upon any party or the court, unless specifically authorized in writing by the court.

IT IS SO ORDERED this _____ day of ____, 20__.

UNITED STATES DISTRICT JUDGE

Each of the undersigned counsel for the parties hereby consents to entry of the foregoing pretrial order, which has been prepared in accordance with the form pretrial order adopted by this court.

**General questions which Plaintiffs wish to be propounded to the jurors on
voir dire examination.**

1. In this case, the Defendants are Spinrilla, LLC and its owner, Mr. Dylan Copeland. They operate a music service called Spinrilla. The Court has found that the Defendants are legally responsible for copyright infringement in connection with the Spinrilla music service. Specifically, the Court has found that the Defendants are liable for streaming copies of over 4,000 copyrighted sound recordings to the public. The Plaintiffs are the record labels who own or control those copyrights. Those record labels include Sony Music Entertainment, UMG Recordings, Inc., Warner Records Inc., and others. In this case, they seek to recover damages for Defendants' copyright infringement. Have any of you heard anything about this matter before today, or know anything about the facts involved?

- a. If so, would what you have heard or know impact you in any way as a potential juror, so that you might be more inclined to favor one side or the other before you've heard any evidence?

16. Do any of you believe that music should be available for free, even if that means that artists and record labels do not get paid for it?

17. Do any of you believe that artists and record labels are not entitled to earn money when people listen to their music?

18. Do you think it is at all unfair to hold an operator of a music streaming service financially responsible for infringement when the company has been told about the infringement and failed to stop it?

- a. Are you willing to hold such a service financially responsible for infringement if the facts and law support such a finding?

19. Have you ever been sued?

20. Have any of you ever been accused of using someone else's work without their permission?

As I call out the names of the Defendants, one at a time, please raise your hand if you know of each. Please keep your hands up until I let you know that the attorneys have recorded your responses. Do any of you know of:

- a. Jeffery Dylan Copeland
 - b. Spinrilla, LLC.
2. The Court has previously decided that Defendants did infringe the subject copyrights. No intent is necessary to the Court's previous determination of infringement. Infringement can be intentional or unintentional. Your responsibility in this trial is to determine the appropriate amount of damages. Will any of you be unwilling or unable to rely exclusively on the facts and information given to you in this trial to determine the appropriate amounts of damages?
3. In deciding the amounts of damages Plaintiffs are entitled to recover, would any of you be biased or favor one side or the other merely because the Court

has already determined that the Defendants are liable for copyright infringement?

4. Damages for copyright infringement can be actual damages or statutory damages. In this case, Plaintiffs have elected not to pursue actual damages, but rather to pursue only statutory damages. Statutory damages can be more or less than actual damages. In this case, Plaintiffs seek damages related to infringement of 4,082 songs. For each song, you must determine damages in an amount between \$750.00 and \$30,000.00 unless you determine that the infringement was willful in which case the range would be \$750.00 to \$150,000.00 per infringement. For clarification, no matter how many times the rights were infringed, you are only to award damages within the statutory range one time per song. Given what you know, so far, will any of you be unwilling or unable to determine the proper amounts of statutory damages per song.
5. To determine the proper amount of damages, you are to consider the following factors keeping in mind that you are not required to determine the same amount is appropriate for all 4,082 songs. Rather, you must determine the proper amount as to each song based on the following factors:

- A. the profits Defendants earned because of the infringement; B. the revenues that Plaintiffs lost because of the infringement;
- C. the difficulty of proving Plaintiff's actual damages;
- D. the circumstances of the infringement;
- E. whether Defendants intentionally infringed Plaintiffs' copyrights; and
- F. deterrence of future infringement.

Will any of you be unwilling or unable to apply the factors I have just described to each of the songs to determine the proper amount of damages as to each song?

6. The Plaintiffs have also alleged that Defendants acted willfully so that they can get additional damages. This means that Plaintiffs have to prove that Defendants knew that they were violating Plaintiffs' copyrights or they recklessly disregarded the possibility that they were violating Plaintiffs' copyrights.
7. Would any of you be unable or unwilling to consider evidence that Plaintiffs may actually have benefitted from the sharing of Plaintiff's music on Spinrilla in determining an appropriate amount of damages?

8. Would any of you be unable or unwilling to consider evidence that Plaintiffs could have, but did not seek an injunction in court to stop any infringement in determining an appropriate amount of damages?
9. In determining the appropriate amount of damages would any of you be unable or unwilling to consider evidence that Plaintiffs actually had accounts with Spinrilla, and used Spinrilla themselves, before suing Spinrilla?
10. In determining the appropriate amount of damages would any of you be unable or unwilling to consider evidence that Plaintiffs included Spinrilla in marketing plans to promote their music?
11. In determining the appropriate amount of damages would any of you be unable or unwilling to consider evidence that Plaintiffs waited years before filing this suit?
12. Have any of you ever accessed Spinrilla or another music sharing web site or App?
13. Have any of you never uploaded music to, downloaded music from or streamed music from a music sharing web site or App?

14. Have you or any member of your immediate family worked in the music industry in any capacity?
15. Have you or any member of your immediate family ever been a plaintiff or a defendant in a lawsuit?
16. Have any of you or any member of your immediate family ever served on a jury?
17. Defendants have alleged that the Plaintiffs have failed to mitigate their damages, because Plaintiffs have a duty to use reasonable efforts to reduce the amount of damages. Defendants must show that Plaintiffs knew about Spinrilla but allowed Spinrilla to continue to operate before filing suit.
18. Do you or anyone you are close to you own, owned or benefited in some way from stock in any of the Plaintiffs in this case?
19. The Recording Industry Association of America worked with Plaintiffs in collecting evidence in this case. Have any of you or anyone close to you ever

heard of or worked for Recording Industry Association of America (“RIAA”)?

20. Do you know any of the following persons who may be called as witnesses or whose names may be mentioned in this case?

- a. Carlos Linares

21. Plaintiffs are being represented by Andrew H. Bart, Previn Warren, and Owen Kieter of Jenner & Block LLP and James A. Lamberth of Troutman Sanders LLP. Do any of you know Mr. Bart, Mr. Warren, Mr. Kieter or any person who is employed at Jenner & Block LLP? Do any of you know Mr. Lamberth or any person who is employed at Troutman Sanders LLP?

22. Defendants Spinrilla, LLC and Jeffrey Dylan Copeland are being represented by Louis Cohan and Robin Gentry of Cohan Law Group. Do you know Mr. Cohan, Ms. Gentry, or any attorneys employed at Cohan Law Group?

23. Have you heard anything about this case before today?

24. Have you used the Spinrilla website or app?

25. Have you ever held a Spinrilla account?

26. Have you ever used Spotify? SoundCloud? Pandora? Tidal? Amazon Music? Apple Music? YouTube Music?

27. Do you have any legal training or experience?

28. Do any of you know Judge Totenberg?

29. Do you know any of the courthouse personnel?

- a. Who do you know?
- b. How do you know them?
- c. Would your relationship affect your ability to be fair and impartial in your consideration of this case?

30. Do any of you have accounting or bookkeeping experience?

31. Do any of you have any experience in determining lost profits or lost revenue?

32. The Plaintiffs estimate they will need approximately 4 days to present their case. Defendants expect they will need approximately 2-3 days to present their case. Another day or two will be needed for this jury selection, opening statements, closing arguments, jury charges where the Judge explains to you the law, and some time for the jury to deliberate and reach a decision. Are any of you unable to be available for the duration of this trial? Would you be so distracted by other obligations in your lives that you would be unable to pay attention to this trial and reach a fair verdict based on the evidence and the law?

33. Have any of you been involved in any capacity in a dispute concerning copyrights?

34. Have any of you now or in the past worked in a position where you investigated potential copyright infringement?

35. Have any of you earned any money or royalties from a copyright that you hold?

36. Have you ever worked in the music industry or provided services to the music industry?

37. Have any of you signed with a music label?

38. Do any of you know each other?

- a. Who do you know?
- b. How do you know them?
- c. Would your relationship affect your ability to work together as jurors in this case?

39. If you have served on a jury before, did you act as jury foreperson? If so, please describe your opinion of that experience?

40. For those of you who have described prior jury service, is there anything about your prior experiences as a juror that would prevent you from acting as a fair and impartial juror in this case?

41. Have you or any member of your family or any close friends ever been a party, that is, a plaintiff or a defendant, in a state or federal court case, whether criminal or civil? If so, what kind of case? And, what did it involve? Is there anything about that experience as party in a case that would prevent you from acting as a fair and impartial juror in this case?

Have you or any member of your family or any close friends ever testified as a witness at a deposition, trial or a grand jury investigation?

42. Have any of you ever had either an extremely pleasant or unpleasant experience with the legal system?

43. The evidence in this case may involve or discuss digital music “piracy” as well as copyright infringement involving internet companies. Do any of you have such strong feelings about this subject that you feel that you would not be able to act fairly and impartially?

44. Do any of you have any experience, training, or knowledge in the music industry?

45. Have any of you ever filed an application, or asked someone to file an application on your behalf, for registration of a copyright?

46. Do you have any opinions about copyright, copyright rights, or digital “piracy” that might make it difficult for you to be a fair and impartial juror in this case?

47. Under the law, the facts are for the jury to determine and the law is for the Court. The two areas are separate and distinct. At the end of the case, Judge Totenberg will instruct you on the law, and you are required to accept the law as it is explained to you. It will be your job to determine the facts under the explanation of the law. Do you feel that you would be able to apply the law as it is explained it even if you disagree with it?

48. Is there anything — whether I have asked specifically about it or not — that would affect your ability to render a fair and impartial verdict in this case?

49. You know yourself, your experiences, opinions, and predispositions, better than anyone, is there anything else, including something you have remembered in connection with one of the earlier questions, that you think

you would like to tell me in connection with your service as a juror in this case?

50. Do you have any investments of any kind that you think could be positively affected by the outcome of this case? If so, please explain.

51. Do any of you think that the outcome of this lawsuit could positively impact you in any way? Please explain.

52. Do you know of anything we have not addressed that might prevent you from rendering an impartial verdict based solely on the evidence and on [my/The Judge's] instructions to you about the law?

Plaintiffs' Outline of the Case

I. Factual Summary

Plaintiffs are record companies in the business of producing, manufacturing, distributing, selling, and licensing the use of sound recordings. Plaintiffs own or exclusively control the copyrights to the 4,078 sound recordings that are the subject of this lawsuit (the “works in suit”).¹ These include recordings by some of the most popular musicians of all time, such as Beyoncé, Michael Jackson, and Kanye West, as well as notable artists based out of Atlanta, such as 2 Chainz, Future, and Outkast. Under the Copyright Act, Plaintiffs have the exclusive right to reproduce and distribute these recordings, as well as to publicly perform them by means of a digital audio transmission. 17 U.S.C. § 106. Plaintiffs also have the exclusive right to license others to do so. *Id.* They have licensed the public performance of the works in suit through a variety of legitimate distribution channels, such as Spotify, Apple Music, Amazon, and YouTube.

Defendant Jeffery Dylan Copeland is the founder, owner, and manager of Defendant Spinrilla, LLC, a limited liability company headquartered in Atlanta.

¹ Plaintiffs will not be pursuing damages related to four works in suit at issue during the liability phase of this case: “Stay Strapped” by Young Jeezy, “Higher” by Big Sean, “Ghetto D” by Silkk the Shocker, and “It’s a Love Thing” by The Whispers.

Defendants operate a music streaming and downloading service called Spinrilla, which is accessible through a website and mobile applications. Spinrilla allows certain authorized users to upload sound recordings. The public can then stream and/or download those sound recordings free of charge. Defendants monetize this activity principally through advertisements displayed to users of the Spinrilla platform. Defendants did not have a license or any other authorization to perform or distribute any of the works in suit.

Spinrilla's users have used the Spinrilla platform to upload, download, and stream copies of the works in suit more than 1.5 billion times. Prior to this lawsuit, Defendants knew about and recklessly disregarded this mass-scale infringement. Copeland himself uploaded copies of the works in suit to Spinrilla, and he assisted other users in doing the same. And while Defendants belatedly adopted a content recognition software called Audible Magic to enable them to remove copyrighted content, they failed to implement it in a timely manner or in a manner that would prevent widespread infringement. Indeed, they affirmatively instructed users on how to circumvent the software.

Defendants willfully infringed Plaintiffs' works in suit in order to drive users to Spinrilla—and, in turn, drive up their advertising revenue. That the works in suit played an outsized importance to the viability of Spinrilla is demonstrated by what

happened when those works were finally removed: users, and advertising revenue, rapidly plummeted.

On November 30, 2020, this Court held that “Defendants have infringed Plaintiffs’ exclusive right ‘to perform’ their copyrighted sound recordings ‘publicly by means of a digital audio transmission,’” and granted summary judgment to Plaintiffs on the issue of Defendants’ liability for this infringement. Dkt. 391 at 34 (quoting 17 U.S.C. § 106(6)). This Court also held that Defendants are not protected by the “safe harbor” provision contained in 17 U.S.C. § 512. *Id.* at 43. The only issues remaining for trial are whether Defendants infringed Plaintiffs’ copyrights willfully and the amount of damages to be awarded to Plaintiffs.

Authority for Claim

- 17 U.S.C. § 106
- Authorities referenced in this Court’s Opinion and Order dated November 30, 2020

II. Damages and Legal Authority

A. Damages

Under the Copyright Act, a plaintiff is entitled to recover from an infringer, at its election, either (1) “an award of statutory damages for all infringements involved in the action,” or (2) “the actual damages suffered by [plaintiff] as a result of the infringement, and any profits of the infringer that are attributable to the infringement

and are not taken into account in computing the actual damages.” 17 U.S.C. § 504(b), (c). Plaintiffs have elected to pursue an award of statutory damages.

The Act sets the amount of a statutory damages award for each work in suit as “not less than \$750 or more than \$30,000 as the court considers just,” except that if the plaintiff shows “that infringement was committed willfully, the court in its discretion may increase the award of statutory damages to a sum of not more than \$150,000” per work. *Id.* § 504(c); *see, e.g., Sony Music Entm’t v. Cox Commc’ns Inc.*, 464 F. Supp. 3d 795 (E.D. Va. 2020). Infringement is willful if the defendant acts with knowledge of the infringement or with “reckless disregard of the possibility” of infringement. *Yellow Pages Photos, Inc. v. Ziplocal, LP*, 795 F.3d 1255, 1271-72 (11th Cir. 2015).

Statutory damages are intended not just to compensate plaintiffs, but to deter infringement and to punish infringers. *Id.* at 1271; *Sony*, 464 F. Supp. 3d at 842-44; *EMI Apr. Music, Inc. v. White*, 618 F. Supp. 2d 497, 508 (E.D. Va. 2009); *see also F.W. Woolworth Co. v. Contemporary Arts*, 344 U.S. 228, 233 (1952) (“[A] rule of liability which merely takes away the profits from an infringement would offer little discouragement to infringers.”). Courts setting damages amounts take these purposes into account. *See Broad. Music, Inc. v. Evie’s Tavern Ellenton, Inc.*, 772 F.3d 1254, 1261 (11th Cir. 2014); *Sony*, 464 F. Supp. 3d at 842-44.

Plaintiffs seek an award of damages reflecting Defendants' willful infringement of Plaintiffs' copyrights in each of the works in suit. Given the voluminous evidence establishing Defendants' knowledge and reckless disregard of infringement on Spinrilla's platform, Plaintiffs seek statutory damages in the enhanced range for willful infringement (i.e. greater than \$30,000 per work in suit for each of the works in suit).

B. Interest

Plaintiffs seek interest upon the foregoing amount of damages. Courts within and outside of the Eleventh Circuit have held that prejudgment interest on damages is available to a successful plaintiff under the Copyright Act. *See Campbell v. Bennett*, No. 18-CV-01064, 2021 WL 3280523, at *4 (N.D. Ga. Mar. 2, 2021) (awarding prejudgment interest of 6.25% per year, for each year from the filing of the complaint in 2018 until the entry of judgment in 2020); *Yellow Pages Photos, Inc. v. Ziplocal, LP*, No. 12-CV-755, 2014 WL 2778356, at *2 (M.D. Fla. June 18, 2014); *see also Polar Bear Prods., Inc. v. Timex Corp.*, 384 F.3d 700, 718 (9th Cir. 2004); *McRoberts Software, Inc. v. Media 100, Inc.*, 329 F.3d 557, 573 (7th Cir. 2003); *Kleier Advert., Inc. v. Premier Pontiac, Inc.*, 921 F.2d 1036, 1040–41 (10th Cir. 1990); *Due Process, Ltd. v. Alternative Debt Servs., Inc.*, No. 3:03CV580/MCR/MD, 2007 WL 1428661, at *5 (N.D. Fla. May 14, 2007); *but see*

Aitken, Hazen, Hoffman, Miller, P. C. v. Empire Const. Co., 542 F. Supp. 252, 264 (D. Neb. 1982).

C. Costs and Attorneys' Fees

Plaintiffs additionally seek an award of costs and attorneys' fees, in an amount to be determined subsequent to a favorable verdict (given that Plaintiffs' fees and expenses will continue to accrue through trial), pursuant to Fed. R. Civ. P. 54(d), Local Rule 54, and 17 U.S.C. § 505.

Defendants' Outline of the Case

A. Overview of Spinrilla and Mr. Copeland

Spinrilla is an online service provider for independent hip-hop music. Spinrilla operates a website and mobile applications where independent and emerging hip-hop artists may upload content and users may stream and download content. Spinrilla launched its website in early 2013 and launched its IOS and Android apps in 2014.

Jeffery Dylan Copeland ("Dylan") is the founder and sole Member of Spinrilla. Dylan launched Spinrilla when he was 21 years old and a student at Georgia State University. Dylan had experience as a computer coder, having held positions with Definition 6, Airwatch and AOL as he worked and went to Georgia State full time.

Dylan created Spinrilla to provide a platform for individual, emerging artists and college-aged students who make music or record songs to distribute that music and share it with their friends. Spinrilla did not want Plaintiffs' sound recordings on Spinrilla and did not seek a license because it never aspired to carry Plaintiffs' sound recordings. Instead, the focus of Spinrilla.com and the related mobile applications is to create a platform for independent artists to share their own music.

Despite Spinrilla's unique niche for independent hip-hop music, some users

uploaded Plaintiff's copyrighted sound recordings. Following summary judgment motions, the Court found that "Defendants have created an interactive internet player that streams copyrighted content directly from its website and mobile app. In doing so, Defendants have infringed Plaintiffs' exclusive right 'to perform' their copyrighted sound recordings 'publicly by means of digital audio transmission;'" and therefore that Plaintiffs were entitled to summary judgment "on their claim of direct infringement of the 4,082 works in suit." (Dkt. 391 at 34). The Court held that it was "not necessary to consider Plaintiffs' claims for secondary or contributory infringement." (Dkt. 391 at 34).

B. Plaintiffs cannot prove willful infringement

Plaintiffs have the burden to show that any infringement by Spinrilla was willful. They cannot meet that burden. Spinrilla did not want Plaintiffs' sound recordings on Spinrilla and did not seek a license because it never aspired to carry Plaintiffs' sound recordings. Dylan, young and maybe idealistic, believed that Spinrilla's users would be honest – that they would not upload music that they did not own or have the right to upload.

Even so, when he launched Spinrilla, Dylan put in barriers to prevent music from major label artists being available on Spinrilla, such as restricting who could upload music and setting out Terms & Conditions for use of Spinrilla. As Spinrilla grew, Dylan also expanded Spinrilla's non-infringement program. In fact, Dylan

implemented every non-infringement measure that any of the Plaintiffs suggested and his requests for what more he could do were met with a refusal to provide more information or suggestions.

Spinrilla implemented Audible Magic, a leading content identification service, in December 2015. Audible Magic scans every sound recording uploaded to Spinrilla's website or application for infringing content, including music belonging to Plaintiffs, before a song is published on Spinrilla. Audible Magic prevents any potentially infringing sound recording in its fingerprint library from being published on Spinrilla. Spinrilla also conducted three backscans to ensure that any previously uploaded sound recordings that were potentially infringing were removed from its service. Dylan had to create code to build a tool to allow Audible Magic to scan Spinrilla's entire catalog, so it took some time before the first backscan could be run. The first backscan started on May 1, 2016. Spinrilla ran a second backscan starting on February 1, 2016. Spinrilla ran a third backscan of its catalog starting on August 1, 2017. That third backscan caught less than a hundred potentially infringing sound recordings. This was a fraction of a tiny percent of all the sound recordings on Spinrilla.

In addition, Dylan responded promptly to all takedown notices, removing any sound recordings he was able to locate based on the information provided in those

notices. And, when a valid link was not included, Dylan informed the sender and provided instructions for how to send valid links.

When he started Spinrilla, Dylan was the sole employee. Dylan's girlfriends began informally helping Dylan with Spinrilla in October 2014 and became a Spinrilla employee in January 2015. Spinrilla did not hire any other employees until September 2017 (after this lawsuit was filed), when it brought on a Marketing Manager. To this day, Spinrilla is a small business. Spinrilla has never had more than 5 full time employees and currently has only 4.

While not always perfect, Mr. Copeland was conscientious about preventing infringement. Spinrilla never intended to become the next Napster and specifically set out on a different course to allow exchange of music not owned by the major record labels.

C. The majority of Spinrilla's profits are not attributable to streaming the works in suit

Plaintiffs do not own or control copyrights for all of the sound recordings that have been available on Spinrilla. Indeed, the vast majority of works on Spinrilla are not owned or controlled by Plaintiffs because the focus of Spinrilla is on independent hip-hop music. Thus, Spinrilla allows open and easy access to material that does not infringe on Plaintiffs' copyrights.

For a moment in time, Spinrilla enjoyed impressive success, but its use (and revenue) have been in decline for a number of years. There are a number of reasons

for this decline, including the popularity of independent hip-hop music, competition from other services as well as changes in the streaming landscape, changes in the number and/or types of advertisements employed by Spinrilla, and the amount of time that Mr. Copeland and/or other Spinrilla employees devoted to the service. In particular, the competition among streaming services has intensified. When Spinrilla launched there were not many streaming services or outlets for independent hip hop artistes to promote their music. But YouTube, Google Play, Spotify, and others have all moved into the space. Spinrilla's implementation of Audible Magic and the removal of the works in suit from Spinrilla's service is not the cause of Spinrilla's declining revenue. Plaintiffs' sound recordings (uploaded directly or indirectly by Plaintiffs) have been available on Spinrilla since its revenue started to decline, which demonstrates that something else is causing users to leave Spinrilla.²

When Spinrilla was profitable, those profits were largely not attributable to use of the works in suit. Spinrilla has an ad-based revenue model. Spinrilla's users do not pay to stream or download music. Instead, Spinrilla earns revenue through advertising networks when advertisements are displayed – the more times an ad is displayed or clicked, the more the business running the ad would pay. Spinrilla

² Spinrilla has received very few takedown notices since Plaintiffs filed the lawsuit. However, Plaintiffs contend that unauthorized sound recordings continue to be available on Spinrilla. If true, then the current availability of Plaintiffs sound recordings demonstrates that users are moving from Spinrilla for reasons other than the implementation of Audible Magic backscans beginning in June 2016.

allows the advertising networks to display ads while users are streaming music. Therefore, the volume of streams is directly tied to advertising revenue. However, the display of ads is not tied to the content being streamed. Ads are displayed without regard to whether a user was streaming one of the works in suit or a sound recording by an independent artist. Spinrilla's streams of the works in suit represent a very small fraction of the total streams on Spinrilla. Thus, most of Spinrilla's profits are not attributable to streaming the works in suit.

D. On balance, Plaintiffs profited from Spinrilla's services because Spinrilla's service was helping, not harming Plaintiffs,

Plaintiffs have long noted that Spinrilla occupied an unique niche that could be valuable in promoting their artist's music. Plaintiffs benefited from Spinrilla by taking advantage of Spinrilla's urban market directed to consumers looking for less "labeled" music. As early as 2014, continuing through the filing of the lawsuit, and even today, Plaintiffs' have either directly or indirectly uploaded their sound recordings on Spinrilla. Some of those uploads were "premiers" of their artist's material, meaning that music was available on Spinrilla before it was available on licensed service. At Plaintiff's suggestion, Spinrilla included a feature allowing users to be re-directed to third party sites since as iTunes to purchase music they hear on Spinrilla. Moreover, Plaintiffs even contemplated paying Spinrilla to market their sound recordings. Thus, Plaintiffs have long understood that Spinrilla helps their business and have profited from the marketing benefits provided by Spinrilla's

service. In addition, Plaintiffs have used Spinrilla to gauge the popularity of independent artists that they are considering signing as well as their own artists. Plaintiffs' actions would lead any reasonable person, including Dylan, to believe that Spinrilla had Plaintiffs' blessing to promote Plaintiffs' sound recordings, including the works in suit.³

E. Plaintiffs failed to mitigate any damages that may have been caused by Spinrilla's streaming the works in suit

Plaintiffs' failure to mitigate damages cuts against their claims of immense, immeasurable harm. In March 2015, Plaintiffs (through the RIAA) began sending takedown notices to Spinrilla, although Plaintiffs were aware of Spinrilla (and using Spinrilla to market their music) much earlier than that. But Plaintiffs didn't file suit until February 2017 – nearly 2 years later. And, when Plaintiffs did file suit, they did not move for a preliminary injunction, despite complaining that Spinrilla allowed Plaintiffs' copyrighted sound recordings to be downloaded and/or streamed by the public *millions* of times" which, they now say, caused – and is continuing to cause – Plaintiffs significant and irreparable harm.

Instead, during those 23 months, Plaintiffs chose to essentially create evidence for a willfulness suit – so that they could claim damages far in excess of anything

³ Plaintiffs by their extensive use of Spinrilla acquiesced to Spinrilla's streaming of the works in suit and/or waived their rights to bring this suit.

they have suffered.⁴ Besides the huge incentive (in the form of a statutory damage windfall) for creating a “willfulness case,” Plaintiffs likely didn’t immediately sue because they could not be sure that Spinrilla was causing them any harm. Plaintiffs knew that Spinrilla was a useful tool to promote their hip-hop artists.

Today Plaintiffs say that Spinrilla was causing the industry incalculable harm and have an expert who will opine that the industry is teetering on the edge of extinction all caused by Spinrilla’s streaming of the works in suit. But, they could have come into this Court at any time and gotten an injunction to immediately stop Spinrilla’s service. Instead, while prosecuting this lawsuit, the Plaintiffs have continued to directly and indirectly upload their copyrighted sound recordings to Spinrilla and profited from that use. It is unreasonable for Plaintiffs to now seek statutory damages for willful infringement when they sat back and not only continued to allow Spinrilla to operate but continued to use Spinrilla to market their artists.

⁴ In fact, it appears that Plaintiffs only sued because they were receiving pressure from licensed services to stop Spinrilla. Those services, unlike Plaintiffs, would not benefit from Spinrilla and wanted to push a competitor out of the market.
